

MICHIGAN STATE UNIVERSITY

London: Medical Ethics and Health Policy

HM 491 is approved as two BHS courses for **A category** credit when taken as part of the London study abroad program. Upon successful completion of this program, students who sign up for the Specialization will be considered to have completed two courses toward the **A category** requirements. Should you already have any or all of your **A category** courses completed, you may use the credits toward the **B category** requirements. Feel free to use the table below to plan where this course might best fit into your program requirements.

You must speak to the BHS advisor to get credit for these classes, as substitutions will need to be made in Degree Navigator. Please fill out the following form indicating your plans for how you will use the HM 491 credits and take it with you when you meet with the adviser. To make an advising appointment, go to bhs.msu.edu and follow the instructions on the "Make an Advising Appointment" page.
