

Meanings of autism, meanings of work  
A research study led by Ariel Cascio

Meeting 2

*Interview Schedule (semi-structured, conversational interview around the following topics)*

- Was it easy or hard to take these photos?
- Tell me about each photo.
  - What does this photo show about the prompt? As a reminder, the prompts were:
    - What works means to me.
    - Something at work/in your job search that makes it easier to have/find a job.
    - Something at work/in your job search that makes it harder to have/find a job.
- Looking at all of these photos together, what are you trying to say about having/finding a job?
- Is there anything you wanted to take a picture of but could not?
- Is there anything else you want to say about any of these photos?
- Is there anything else you would like me to know about what it's like to be autistic/have autism/be on the spectrum at work?
